RIDE THE TIDE FOR VETERANS
MAKE EACH WAVE COUNT
By: Tracy Kinnick, Department President

Greetings member of the American Legion Auxiliary. I would like to take a moment to thank Cheryl Eastep and her administration for a job well done. The Department Convention was a success, with many Constitution and Bylaw changes, new District

officers, a new District 11, lots of Mardi Gras, and a little dancing! Thank you to everyone who helped make the convention a success!

I am honored to be elected as your 2024 - 2025 American Legion Auxiliary Department of Kansas President. We have many adventures to look forward to this new year, with new beginnings, friendships, and challenges, we will make each wave count.

My theme this year is Ride the Tide for Veterans, make each wave count. If you have ever watched the waves hit the beach you notice that they arrive in various sizes, some are big, or small, they hit the beach softly, or they crash onto the beach. In this organization, we have highs and lows. As we move into a new administration, will you join me in changing the words "It is what it is" and change our mindset to "It is what we make it"? Imagine what that could do for our organization. There are many possibilities and ways to change the mindset from "it is what it is" to "it is what we make it" with each wave we encounter along our journey.

I tried to think of a project that would not help one veteran, two veterans but hundreds of veterans across the state. Two years ago, I saw an interactive gaming machine from Lucynt Interactive (www.lucynt.com). As soon as I saw these interactive systems, I knew that was the project I wanted to work on for our veterans in Kansas. To help raise funds for this project we currently have two drawings, one for a cash prize, the

other for a unique pistol. (See attached flier for more information.) We will have a wreath auction at the fall conference, a basket auction at Mid-Winter.

I hope to continue the work on improved communication for all members of the ALA. To make this a success I need your help to ensure that your information is up to date and that you have an email address in ALAMIS. That would help us greatly to ensure that you get much-needed information.

Should you ever have any questions do not hesitate to contact me. I am here for you and with you through every wave we encounter.

Let's Build the Sunflower Fleet!

By Kristen Hensley, Department Vice-President

July marks the beginning of a new renewal and recruitment year for the 2025 Membership Year. New goals are published, and the race begins to achieve certain percentages by key dates to win awards and prizes at both Unit and Department levels. Although the awards and acclimations are great to get, we need to focus on building our crews to fulfill the Missions of the American Legion Auxiliary. You may ask, how do we do this?

I had the privilege to sit and talk with the Unit President for Kansas's largest Auxiliary Unitto fin out how she guides her crew to continually grow their unit year over year while other units struggle to get a majority percentage of their established goal. Here are some of the things this post family does during recruitment:

- When approaching potential members, they already have a plan on addressing "I don't have time" or "I don't like attending meetings." It is stated "That is okay, you don't have to do any of that. All I ask is permission to call you should we have a fundraiser/drive that you can donate. You can do as little or as much as you want. I just want permission to call you." This response works well with those that have already full schedules and commitments.
- They host a weekly 'Happy Hour' where members can come and go, no formal meeting, only time to fellowship with other members to give ideas, opinions, insight, etc. This allows members to feel like part of the group without having to attend more formal meetings. The 'come and go' setup of this weekly get-together enables these members to work it around their schedule with no pressure, and guests. Officers take note of the ideas and take it back to the meetings for consideration, voting, planning, etc. along with participating in membership recruiting of the guests that come with them. This is a Legion Post Family event.
- Weekly Coffee and Donuts in the morning. This allows those that are retired and don't like 'Happy Hour' to come and do the same as the Happy Hour participants. This event is a Legion Post Family event.

With these simple and not overly regimented ideas, this entire Post Family continues to grow year after year. Given the new culture of two parents working households being the norm, with a staggering 50% of those households having the wife/woman being the majority finnci al contributor of the family, this has been an important change to their recruitment strategy and a necessary change given the cultural shift across our country as a whole.

So how do you get renewals in timely?

During the DLNC, one suggestion came up that I thought was brilliant. Some units in other Departments team up with the rest of their Post Family and sets up a couple of dates where they serve either a breakfast or dinner. If a member comes in and pays their renewal, they get to eat for free. If someone comes in that is eligible and joins, they eat for free. For everyone else, there is a fee for the meal. Everyone likes a free meal and it's a great way to get these renewals and new members along with encouraging fellowship.

Department of Kansas Book Of Memories

Did you know that at the front entrance of the Dept of Kansas there lives a "Book of Memories?" This book is a place for anyone to list any Legion, Son, Rider, or Auxiliary Member's name that has passed away. When it was originally started a monetary contribution was made and that gift went to the Bldg. fund for its upkeep.

It has evolved over the years that Units have contributed their members' names who have passed away a monetary token to the Bldg. Fund or if they identify a specific Auxiliary Program (Example: AEF, Child Welfare, Junior Activities, or Leadership) to have the name listed in the book. Individuals can also contribute someone's name and identify where they would like the contribution to go. Our Dept. Secretary will send out an acknowledgment card letting the donor know that their gift has been received. Please think about this when one of our Legion Family Members passes away.

"Some memories never fade; they only grow stronger with time."

Department of Kansas Chaplin – Cindy Ward

Hello all! My name is Laurie Kerns, and I am super excited to be your Historian for the 2024-2025 year. My goals this year are to 1) create a history of the Department of Kansas American Legion Auxiliary that is complete and accurate so everything that is accomplished this year is not lost; 2) be a good resource for unit and district Historians who may have questions about completing accurate histories for their respective areas; and 3) be an active member of the Kansas American Legion Auxiliary leadership team. The National ALA website defines/describes the History Committee as follows: The History Committee was created by resolution at the 1972 National Convention. Originally names the Cavalcade of Memories Committee, it began as a curator committee of three to collect, display, and care for artifacts of national interest of the American Legion Auxiliary, donated for the new Cavalcade of Memories Museum located at ALA National Headquarters. The committee name changed to reflect that the Auxiliary's history is contained not only in these artifacts, but also in its photos, books, and governing documents, which require care as well. While the committee is still committed to collecting items of national importance for the museum and archives, the main focus of the committee has evolved to assisting departments and units in the collection and care of their important histories (www.legion-aux.org). The national website posts a History Blog monthly highlighting a key member or activity in the auxiliary's history. I encourage everyone to read this blog to learn more about our history. Members, please keep taking pictures and sharing stories at your unit and district meetings. If you have any questions about your unit and district histories, please reach out to me!

NATIONAL SECURITY

I saw this post on Facebook and thought it could possibly help some members if they have the opportunity to interact with some of our active-duty families. I know not all of us live close to a military installation and so are somewhat removed from active-duty personnel. But you may find you have the spouse and family of a deployed or PCS remote assignment active-duty service member that has come home to spend time with family and you may be able to help if they are struggling with the separation with these tips.

ALA National Security Jammie Phillips · ·

One challenge our military personnel and their families encounter is the frequent relocations known as Permanent Change of Station (PCS). These moves can be strenuous for all involved, particularly for spouses and families, potentially leading to isolation and mental health issues. Nevertheless, resources are available to ease the PCS process, including numerous tips and tools at Military OneSource. For more information, and to assist a military family who could benefit from these resources, please visit Military OneSource.

https://www.militaryonesource.mil/moving-pcs/

Besides the resources offered by Military OneSource, here's an extra resource for maintaining connections even after relocation.

Thank you for all you do for our active duty servicemembers and their families and our Veterans.

ALA Girls Nation

July 20-27, 2024

American Legion Auxiliary Girls Nation is a once-in-a-lifetime opportunity for students entering their senior year of high school. This weeklong event gives participants a firsthand experience with practical insight into how the federal government works. More than 7,500 students have experienced ALA Girls Nation since it was founded in 1947.

Two students are chosen from each ALA Girls State program. The participants are known as "senators." During ALA Girls Nation in Washington, D.C., senators participate in a mock legislature. They are responsible for submitting bills and resolutions, participating in senate sessions, and electing officials such as president and vice president.

Participants leave ALA Girls Nation with leadership lessons for life and an understanding of the fundamentals of U.S. government, along with the rights, privileges, and responsibilities of citizens. This seven-day experience has laid the foundation of thousands of bright futures in not only public service, but other careers as well. Some notable industries include government, military, law, education, and media.

ALA Girls Nation connects students with their peers from across the country, allowing them a unique opportunity to spend time with others who share common interests and those who have different perspectives from their own. The participants leave Washington, D.C. with a deeper understanding of government, a renewed sense of patriotism, and an appreciation for veterans.

While in D.C., the senators participate in field trips to visit Capitol Hill, historical Washington monuments, and Arlington National Cemetery.

The ALA Girls State and ALA Girls Nation programs are privately funded and presented by members of the American Legion Auxiliary.

Please go to the New Dept Website www.kansasala.org for more info!

If you want to have the sunflowerette and the weekly membership report email to you, please make sure you have your email on record with at Department office.
