

## **Sailing the Waves to Membership Success!**

Ahoy there Matey's! Join Department of Kansas ALA Membership Fleet as we sail towards Membership Success! This year, we are striving to build our crews to help Deliver our

much-needed Programs and fulfill our Missions. We need all types of crew members of all talents, ages and passions! The more diverse the better! Different approaches can reach further shores!

This year, each District will pick what kind of Vessel they are sailing on this year! I am asking all Membership Chairs to work with their Executive Board and/or Unit Membership Chairs to pick the type of vessel you want to represent

your District. Your District will be able to name your Vessel too! Each month when I give the membership updates on our Zoom calls AND on Facebook, I will refer to the achievements by the Vessel Name!

Membership goals will be distributed once they are completed later this month. The goals will be calculated using the last two years of what those goals were, and the actual count each District and Unit achieved that year. As we have a few units closing this year, there are some slight adjustments on a few of those. This is a more business operations method of setting goal that end up being more realistically attainable for everyone and based on data.

So here is the fun part. Below, please talk with your teams and decide what kind of vessel you would like and what you want to name Her! Be original, be creative (appropriately so) and most of all, take pride in your Ship to Success! I can't wait to see the creative ways you will utilize this theme! I can't wait to Sail Away with this Amazing Crew this year!

Let's start this Voyage!

## AMERICAN LEGION AUXILIARY

# VOLUNTEER INTEREST FORM

### What is an Interest Form?

Interest Forms is where a person can request more information about joining or volunteering.

### Where are they located?

The Interest Form resides under the Join tab <https://www.legion-aux.org/joining>, or the Get Involved tab either under Become a Member or Become a Volunteer <https://www.legion-aux.org/volunteer>.

### Who will receive the forms?

National Headquarters (NHQ) forwards Interest Forms to the National Membership Committee who will forward the interest forms to the appropriate department membership chairman.

### What is your role?

Department membership chairmen should follow up with these potential members or work with local units or district/county (where appropriate) to get them connected to an ALA entity in their local area.

It could take multiple times of contact to assist the prospective member to join. Research shows that it is not uncommon for it to possibly take 6-8 times.

Don't be afraid to reach out again even months after first contacting individuals who completed an Interest Form. They very well could join or become a volunteer for your department.

## SAMPLE EMAIL THAT ACCOMPANIES THE INTEREST FORM

Hello -

See below Interest Form regarding a person interested in joining the ALA

I have attached:

- Eligibility Flyer
- Membership Application
- Finding Proof of Military Service
- Welcome flyer
- Member Perks & Discounts flyer

I hope this means a new member for the Dept of **(State)**

Please feel free to keep us posted with this lead as we love to hear your success stories!

Note: If the person has indicated permission to contact them via text message, please use the below recommended initial text script.

**Recommended texts (variations for different people/situations):**

- “Hi \_\_\_, I’m \_\_\_\_\_ from the American Legion Auxiliary in (city). You recently requested info about our organization. I left (or I’ll send) you a VM/email/packet & would love to talk to you.”
- “Hi \_\_\_, I’m \_\_\_\_\_ from the American Legion Auxiliary in (state). You recently requested info about our organization. I’ve asked an Auxiliary member in your area to contact you, so look to hear from them soon. You are also welcome to reply to me.”

Texting should be short. It is best not to abbreviate “ALA” in an initial message since a prospective member may not know what ALA stands for.

## American Legion Auxiliary Membership 101 & FAQ

### Membership Eligibility 101:

Membership in The American Legion Auxiliary shall be limited to the:

- (1) grandmothers, mothers, sisters, spouses, and direct and adopted female descendants of members of The American Legion; and
- (2) grandmothers, mothers, sisters, spouses, and direct and adopted female descendants of all men and women who served in either of the following periods: April 6, 1917, to November 11, 1918 and any time after December 7, 1941 who, being a citizen of the United States at the time of their entry therein served on active duty in the Armed Forces of any of the governments associated with the United States during either eligibility periods and died in the line of duty or after honorable discharge;
- (3) grandmothers, mothers, sisters, spouses, and direct and adopted female descendants of all men and women who were in the Armed Forces of the United States during either of the following periods: April 6, 1917, to November 11, 1918; and any time after December 7, 1941 who served on active duty in the Armed Forces of the United States during either eligibility periods and died in the line of duty or after honorable discharge; and
- (4) to those women who of their own right are eligible for membership in The American Legion.

Other factors to consider when determining membership eligibility:

- When a request for ALA membership is based on the military service of a family member who is still living, that family member must be a current member of The American Legion before the female relative or spouse may join.
- When a request for ALA membership is based on a deceased veteran the prospective member will be asked to provide verifying documentation that proves his/her eligibility (see acceptable documentation below).
- When a female veteran applies to join the ALA without being a member of The American Legion, she is eligible to join if her service dates fall within one (1) of the eligible service periods as described in the National Constitution. However, should her family members (including spouse) wish to join the ALA or the Sons of The American Legion through her service, she must first become a member of The American Legion.

The following documents are acceptable to verify membership eligibility in the ALA:

1. DD214 discharge papers (not issued until after the Korean War)
2. Official military orders
3. Official military service citations/awards
4. Letters related to the veteran's military service. Must be on official government letterhead.
5. Certificate from the VA records center in St. Louis
6. Data from the back of older discharges

## **Membership Eligibility Frequently Asked Questions:**

**Q: Is there any circumstance where a person could join the ALA without having a relative as a current member of The American Legion?**

A: There are two circumstances when a person can become a member without having a relative as a current member of The American Legion.

- 1) When a woman has served in the military during the requisite dates. She may join the ALA without being a member of The American Legion.
- 2) When a person's membership is based on a deceased veteran the prospective member will be required to provide verifying documentation of the deceased relative's service dates to prove their eligibility.

**Q: Is verification of veteran eligibility required by the Post Officer?**

A: The signature of the Post Officer should be on every application of those applying for membership. If the Post Officer's signature cannot be obtained after a reasonable effort, a letter from the Department Adjutant will be accepted in lieu of the Post Officer's statement.

The only exception is if the applicant is eligible in her own right, then the Unit Secretary signs and dates the application upon verification of that female veteran's military record.

**Q: In a female same-gender marriage, if the female spouse wartime veteran is a member or eligible to be a member of The American Legion, is the female wife eligible for membership in the Auxiliary?**

A: On June 26, 2015, the United States Supreme Court issued a landmark decision in the case of Obergefell v. Hodges. The Court's ruling requires a State to license a marriage between two (2) people of the same sex and to recognize a marriage between two (2) people of the same sex when their marriage was lawfully licensed and performed out-of-State. This decision requires all states to recognize same-gender marriages. The Legion and the ALA will continue to accept into membership those individuals who meet membership eligibility criteria regardless of the gender of their spouses.

**Q: Are stepchildren eligible to become members?**

A: No, IRS regulation for 501(c)19 organizations do not include stepchildren in their definition of an auxiliary organization.

**Q: Are men now eligible to join the Auxiliary?**

A: Male spouses of current members of The American Legion are eligible to join the Auxiliary. Male spouses of all men and women who served in the eligible periods (April 6, 1917-November 11, 1918 and any time after December 7, 1941) and died in the line of duty or after honorable discharge are eligible to join the Auxiliary.

Grandfathers, Fathers, Uncles, Brothers or other male descendants are not eligible to join the Auxiliary.

**Q: Are husbands of Auxiliary members able to now join the Auxiliary?**

A: Husbands of American Legion Auxiliary members are only eligible to join the Auxiliary if their spouse is also a current member of The American Legion. Husbands would be eligible due to their spouse's membership in The American Legion and not through their spouse's membership in the Auxiliary.

**Q: Is a person eligible through the war service of divorced spouse?**

A: A divorced man or woman does not occupy the status of spouse and, therefore, has no eligibility. But the fact that a member of the Auxiliary has become divorced from whom they gained their eligibility does not force them to surrender their Auxiliary membership, even though they may be married to another person. However, if they become delinquent in their ALA dues, they may reinstate their membership only by payment of back dues for all years of delinquency.

**Q: Are relatives of members of the Sons of The American Legion eligible for membership in the Auxiliary?**

A: Only if the member of the Sons of The American Legion is also a member of The American Legion. If the SAL member is not eligible for membership in The American Legion, the applicant must secure eligibility through the service of an eligible veteran.

**Q: Must a potential member join the Unit of the Post of which their service relative is a member?**

A: No, the potential member is eligible for membership in any Auxiliary Unit.

**Q: Is the spouse of a non-veteran eligible for membership on the war service of a former spouse who died either during the war or following discharge?**

A: The fact that the widow of a veteran remarried does not deprive them of their right to belong to the Auxiliary. Under these circumstances the spouse of a non-veteran is eligible for membership in the Auxiliary if their former spouse was a veteran and died either during the war or following their discharge.

**Q: Why is membership limited to two degrees of consanguinity (relation)?**

A: The IRS regulation concerning auxiliaries to veteran service organizations states in part: "At least 75 percent of its members are veterans, spouses of veterans, or related to a veteran within two degrees of consanguinity (i.e., grandparent, brother, sister, grandchild represent the most distant allowable relationships)."

This means that no great or great-great-granddaughters can join the Auxiliary. Current members whose eligibility relationship is great-granddaughter, great-great-granddaughter or direct descendent can continue being a member, as long as their dues are kept current.

## **Membership Processing Frequently Asked Questions:**

**Q: Does a TAL Post have authority over a Unit's membership or money?**

A: Besides verifying the eligibility of a potential Auxiliary member, no TAL Post has the authority to determine the membership of a unit or dictate what a Unit does with their finances.

**Q: Can staff at ALA NHQ transfer a member to another unit at the request of the member?**

A: No, units have final authority over their own membership. Units must accept the new members transfer and then submit a form to their department for processing.

**Q: How long must units retain membership applications?**

A: The American Legion National Judge Advocate/ALA Counsel General advises that since eligibility for membership can be challenged at any time during the life of the member, eligibility information should be retained indefinitely, as long as the member is alive. Only the eligibility information needs to be securely retained, and records can be digitized to save space and provide a more convenient way to retain the information. Units are advised to have access to a locked file cabinet in the post or other secure place for record retention and to redact any personally identifying information such as birthdate and social security number in order to secure information from identity theft. Counsel General notes that in the past four years, the IRS has been more stringent about demanding to see eligibility records when they are doing field audits of posts, units and departments. The fact that the IRS has escalated its audits of Legion and ALA entities in recent years may lead to confusion about the length of time for retaining IRS records versus the length of time for retaining eligibility verification records. Counsel General has advised that tax returns need be kept for only seven (7) years, but eligibility records should be retained for the life of the member.

**Q: How does the Auxiliary update/correct a members' join date?**

A: Members are required to provide proof of original join date, if proof cannot be provided, the member must pay necessary back dues to reinstate continuous membership.

**Q: How does a unit request ALA MIS access?**

A: All requests for ALA MIS access must be submitted to their department for approval and submission of request.

**ELIGIBILITY:** Any member of the American Legion Auxiliary in good standing (having a valid membership card for the current year) may pay dues in advance for the remainder of member's life. After January 1, a member's dues must be paid for the current year before becoming eligible to purchase a PUFL membership. If a member pays their dues in advance and decides before the start of the membership year that they want to purchase a PUFL membership, that dues amount may be deducted from the total PUFL membership cost until January 1 of the current membership year. After January 1<sup>st</sup> the full PUFL fee must be paid.

**COMPLETING APPLICATION:** The APPLICANT completes and signs the top portion of the application form and submits to the Unit Secretary for certification that member is in good standing and has paid dues for current year. Payment or charge card information must be provided before the application can be processed. Make check or money order payable to American Legion Auxiliary. See the rate chart below for payment due. The UNIT SECRETARY must: 1) Verify that applicant has paid the current year dues; 2) complete and sign the second section of the application.

**PROCESSING APPLICATION:** After the application and payment are accepted and processed by National Headquarters, a permanent PUFL Membership card is sent to the member. The card is proof of the member's paid-up-for-life membership status. Each year thereafter, National Headquarters will send the Unit, through its Department Headquarters, the Unit's share of the member's annual dues, unless the unit has agreed to waive their portion. The Unit and Department will receive the same amount each year as long as the member lives and remains a member of that Unit.

**COST:** The cost of a PUFL membership is based upon two factors -- the member's age at the time of application/purchase and the total dues of the Unit at the time the application is processed.\* The total dues of the Unit consist of the Department per capita, the National per capita and the amount of annual dues retained by the Unit. The dues amount used to compute the cost of a PUFL membership may not be less than the sum of the Department per capita plus National per capita. *(Units may waive their portion of dues. By doing so, the Unit forfeits or "gives up" the annual payment of that member's dues from the Paid Up For Life Trust.)* NOTE: see "ELIGIBILITY" section (above) about deducting dues paid in advance from the total PUFL fee.

**\* The PUFL fee for applications processed after June 30 must be based on the total Unit dues for the following membership year.**

The rate chart must be used to determine the exact cost of a Paid Up For Life membership. At the top of the chart, select your age group -- the age at your last birthday. In the left-hand column, find the amount of your annual Unit dues (round to the nearest dollar amount) and trace across to your age column. This amount is the cost of your PUFL Membership.

**Example:** if you are 62 years old and your Unit dues are \$25.00, the cost of your PUFL membership is \$525.00.

If your dues amount is higher than \$60.00, you can find a continuation of the PUFL rate chart in the Member Resources section of the national website at [www.ALAforVeterans.org](http://www.ALAforVeterans.org)
